EXECUTIVE SUMMARY

Board-facing Internal Audit, Risk & Governance Director with 20+ years of progressive leadership experience protecting enterprise value across GCC, MENA, and emerging market environments. Published author specializing in ITGC, SOX 404 compliance, and AI-driven fraud detection. Track record of scaling high-performing audit functions, securing clean Big 4 opinions for pre-IPO tech unicorn, and using advanced data analytics (Python/Machine Learning) to transition organizations from sample-based auditing to 100% population testing.

Core Competencies: Corporate Governance, SOX 404 & ICFR, Enterprise Risk Management (ERM), M&A Due Diligence, Fraud Prevention, Data-Driven Audit Automation, Big 4 Co-sourcing.

PROFESSIONAL EXPERIENCE

Veritux Consulting Network | Dubai, UAE
Internal Audit Director | Jul 2025 – Present

- **Governance Implementation: Architected a risk-based audit framework ensuring RERA compliance for a leading UAE real estate developer.**
- **Board Advisory: Established board reporting structures and audit committee charters meeting Saudi CMA regulatory standards for a prominent Saudi family office.**

Kitopi (Cloud Kitchen Technology Company) | Dubai, UAE
Director of Internal Audit | Jun 2022 – May 2025

- **IPO Readiness (SOX 404):** Delivered a **clean, first-time external audit opinion** on SOX 404 ICFR assessments with **zero material weaknesses** or significant deficiencies during a hyper-growth pre-IPO phase.
- **Commercial Value Creation:** Captured **AED 7.7M in total financial impact** (AED 3.2M recovered; AED 4.5M protected) by designing and deploying an automated continuous monitoring suite for third-party aggregator billing.
- **Tech-Enabled Audit Transformation:** Transformed audit methodology by developing a proprietary Python/Pandas analytics engine, achieving **100% population testing** across 7 critical domains and securing Board-approved investment for enterprise automation.
- **Risk & Fraud Mitigation:** Reduced fraud incidents by **78%** amidst a **340% transaction volume surge** by deploying automated exception reporting and predictive transaction monitoring.

Al-Faisaliah Group (JSC) | Riyadh, KSA (Diversified Saudi conglomerate: hospitality, retail, real estate and financial services)
Group Director of Internal Audit & Risk | Nov 2016 – May 2022
(Audit Committee Member, AFG Restaurants Sector | Feb 2021 – May 2022)

- **M&A Capital Protection: Protected $127M in M&A capital by identifying SAR 15M in previously undisclosed litigation exposure during financial and operational due diligence, enabling executive renegotiation of deal terms.**

- **Enterprise Risk Management: Partnered directly with the Board Audit Committee to implement a COSO ERM framework across a highly diversified enterprise portfolio, meeting Saudi Corporate Governance Regulations.**
- **Fraud Prevention: Generated SAR 4.2M in quantified annual savings by reducing organizational fraud losses by 82% by deploying predictive analytics for high-risk transactions.**
- **Function Scaling & Quality:** Achieved the highest IIA external Quality Assessment rating **("Generally Conforms")** while scaling the internal audit capability from 3 to 20 cross-functional professionals.
