EXECUTIVE SUMMARY

Director of Internal Audit with 20 years closing the gap between stated governance and actual operational exposure - CAE at Kitopi through its pre-IPO phase and Group Director of Internal Audit and Risk at Al-Faisaliah Group (JSC), Riyadh. Built SOX 404 ICFR programmes from foundation, constructed audit functions from three to twenty professionals, and replaced sample-based testing with 100% population coverage through Python analytics. Across both roles, recovered and protected AED 7.7M in commercial exposure, identified SAR 15M in M&A risk before close, and reduced fraud losses 78-82% through automated analytics and predictive monitoring. Published in IIA Internal Auditor Magazine, GRC Report, and Consultancy ME.

Core Competencies: Corporate Governance, SOX 404 & ICFR, Enterprise Risk Management (ERM), M&A Due Diligence, Fraud Prevention, Data-Driven Audit Automation, Big 4 Co-sourcing.

PROFESSIONAL EXPERIENCE

Veritux Consulting Network | Dubai, UAE
Principal – Internal Audit & Risk Advisory | Jul 2025 – Present
Identifying and closing governance and operational risk gaps for boards and senior leadership: concurrent engagements in USA, UAE and KSA.

- **Regulatory Compliance Architecture:** Designed and implemented a risk-based internal audit framework for a UAE real estate developer, establishing the controls infrastructure required for sustained **RERA regulatory authorisation** and reducing exposure to enforcement risk.
- **Family Office Governance Build:** Constructed audit committee governance from foundation for a Saudi family office - board charters, risk oversight protocols, and reporting structures meeting **Saudi CMA Corporate Governance Regulations**, providing the governance framework required for future capital market activity.
- **Risk & Controls Advisory:** Delivering concurrent independent risk assessments and control evaluations across client portfolios spanning operational, financial, and regulatory risk domains across **UAE and KSA** markets.

Kitopi (Cloud Kitchen Technology Company) | Dubai, UAE
Director of Internal Audit | Jun 2022 – May 2025

- **SOX 404 ICFR:** Built the ICFR assessment programme from foundation - Kitopi had no prior SOX history. Delivered a **clean first-time external opinion**; no material weaknesses, no significant deficiencies.
- **Aggregator Billing Controls:** Identified **AED 3.2M in recoverable billing overcharges** and closed the control gap responsible for **AED 4.5M in future exposure** through an automated continuous monitoring suite.
- **Analytics Platform:** Built a Python/Pandas population testing engine achieving **100% transaction coverage across 7 audit domains**. Board approved enterprise-wide deployment.
- **Fraud Detection:** Reduced fraud incidents **78%** against a **340% transaction volume increase** through automated exception reporting and predictive transaction monitoring.

- **Function Leadership:** Built the internal audit and IT security assurance team from inception — **3 internal auditors and 2 IT security professionals**. Appointed to the **IPO Steering Committee** as the IA representative, providing governance oversight across multiple functions during the pre-IPO phase.

Al-Faisaliah Group (JSC) | Riyadh, KSA (Diversified Saudi conglomerate: hospitality, retail, real estate and FMCG)
Group Director of Internal Audit & Risk | Nov 2016 – May 2022
(Audit Committee Member, AFG Restaurants Sector | Feb 2021 – May 2022)

- **M&A Due Diligence:** Identified **SAR 15M in previously undisclosed litigation exposure** during due diligence on a 27M acquisition, enabling renegotiation before close.
- **ERM Implementation:** Led COSO ERM framework deployment across a four-sector conglomerate portfolio, commissioned by the Board Audit Committee, meeting **Saudi Corporate Governance Regulations**.
- **Fraud Analytics:** Reduced fraud losses **82%** and recovered **SAR 4.2M annually** through predictive monitoring of high-risk supplier and procurement payments.
- **Function Build:** Scaled the internal audit function from **3 to 20 professionals** and achieved 'Generally Conforms' - the highest IIA external Quality Assessment rating.
