EXECUTIVE PROFILE

Commercial Internal Audit Director & GRC Leader with 21 years of Big 4 and GCC executive leadership across diversified family conglomerates, multi-unit retail/F&B, pre-IPO growth enterprises, and real estate holdings. Proven track record building and mentoring high-performing audit teams (up to 25+ staff), championing an enterprise-wide culture of integrity, ethics, and accountability, and directing pre-IPO SOX/ICFR transformations to clean Big 4 attestations. Pioneers 'Audit 4.0' continuous-testing ecosystems (Python/SQL/ML) and agentic-AI governance instruments that protect margins, eliminate procurement leakage, and ensure strict board-grade assurance across 12+ Audit Committee sessions annually.

SELECTED ACHIEVEMENTS & COMMERCIAL IMPACT

78% Fraud Reduction [Kitopi] Automated continuous ERP detection pipelines over live transaction streams while volume scaled 340%.	Clean Pre-IPO Attestation [Kitopi] Directed COSO 2013 ICFR remediation across 18 months; secured clean Big 4 (EY) IPO readiness attestation.
USD 127M M&A Due Diligence [Al-Faisaliah] Compressed buy-side review timeline 40% and uncovered SAR 15M in undisclosed litigation exposure.	"Generally Conforms" IIA QAIP [Al-Faisaliah] Secured highest global Quality Assessment Review rating for group-wide internal audit governance.

PROFESSIONAL EXPERIENCE

Director of Internal Audit & Risk Advisory, Veritux Consulting Network, Dubai, UAE *Jul 2025 – Present*

- Board Governance & Integrity Culture:** Support Audit Committees and executive leadership of GCC mid-market enterprises across audit charter development, risk appetite calibration, whistleblower oversight, and quarterly governance reporting.
- Pre-IPO & Regulatory Transformation:** Directing IPO readiness, ICFR scoping, and risk registers for CMA-governed entities in Saudi Arabia and regional growth enterprises preparing for public market listings.
- Predictive Risk Modeling & Revenue Recovery:** Architected an automated Python/ML risk engine for a KSA-based SAR 500M+ real-estate portfolio, executing 100% population testing and securing SAR 3.2M in annual recoveries.
- Agentic-AI Assurance Tooling:** Pioneering proprietary agentic-AI internal audit instruments equipped with human-in-the-loop controls and model risk management safeguards for corporate governance.

Director of Internal Audit & GRC (reporting directly to the Audit Committee), Kitopi, Dubai, UAE *Jun 2022 – May 2025*

- Pre-IPO SOX/ICFR Readiness:** Led a cross-functional team of 10+ executing COSO 2013 ICFR sprints across financial close, order-to-cash, and procure-to-pay; resolved historical deficiencies to achieve EY IPO attestation.
- Continuous Controls & Cash Recoveries:** Engineered a Python/SQL continuous auditing engine over MS Dynamics, transitioning from manual sampling to 100% population testing across vendor contracts, goods receipts, and invoices; captured AED 7.7M+ in total financial impact.
- Ethics, Whistleblower & Board Governance:** Delivered quarterly board packs across 12+ Audit Committee sessions per year; overhauled the whistleblower programme into a proactive fraud-deterrent mechanism with digital investigation workflows.
- Multi-Unit F&B & Store Expansion:** Partnered with country Managing Directors across UAE, KSA, and regional hubs to execute operational audits across cloud kitchens, supply chain cold-storage, inventory shrink, and multi-currency treasury operations.
- Greenfield Function Building & Talent:** Built the Internal Audit and IT Security departments from scratch (recruiting and mentoring a 7-person team: 4 IA + 3 Security); established audit charters, KPIs, and ITGC audits aligned with UAE PDPL, GDPR, and ISO 27001.

Group Director of Internal Audit & Risk (reporting directly to the Audit Committee), Al-Faisaliah Group (JSC), Riyadh, KSA *Nov 2016 – May 2022*

- People Leadership & Group ERM:** Led a 25+ person audit division across holding and portfolio companies; instituted talent development pathways, risk-based audit plans (96% completion), and group-wide COSO ERM, achieving a 15% reduction in corporate insurance premiums.
- Big 4 Co-Sourcing Management:** Managed a USD 450K annual co-sourced budget with PwC and KPMG for specialised technical, actuarial, and IT audit mandates, ensuring high-calibre assurance delivery to the Board.
- Executive & Board Stakeholder Management:** Maintained direct liaison with subsidiary Audit Committees and C-suite leadership, presenting audit findings, remediation roadmaps, and enterprise risk dashboards.

- **Subsidiary IA Inception & Nomu Listing:** Established the internal audit function for an operating subsidiary from ground zero and delivered ICFR listing readiness for another portfolio entity that successfully listed on the Saudi Nomu market.
- **Supply Chain Resilience & Tender Governance:** Audited business continuity, vendor tenders, and major capex across multi-facility logistics hubs, FMCG plants, and central warehouses; conducted enterprise-wide fraud risk assessments.

Manager, Internal Audit (Function Lead), McDonald’s Saudi Arabia, Riyadh, KSA *Mar 2014 – Oct 2016*

- **Operational & Supply Chain Transformation:** Restructured a 4-person team from transactional auditing to risk-based operational advisory; audited multi-unit restaurant operations, cold-chain logistics, food safety protocols, and labour regulation compliance.
- **Third-Party Risk Management (TPRM):** Instituted third-party audit governance for United Foods Company (food procurement and customer contact centre operations), coordinating global compliance benchmarks with McDonald’s Global Corp.

Earlier Audit & Advisory Leadership (Big 4 & Asset Management), KPMG | BMA | EY *2004 – 2013*

- **Internal Audit Manager — KPMG Qatar (2011 – 2013):** Led risk-based internal audits for enterprise/retail clients (Al Meera Supermarkets, Hepworth) and major infrastructure programmes (Qatar Rail, Lusail megaprojects).
- **Assistant Vice President, Internal Audit — BMA (2010 – 2011):** Directed internal audit across group treasury, capital allocation controls, investment governance, and regulatory compliance.
- **Audit Manager (External Audit) — Ernst & Young (EY) (2004 – 2009):** Led statutory external audits and internal control reviews under IFRS for manufacturing, commercial trading, and financial institutions.

DIGITAL AUDIT INNOVATION & DECISION-SUPPORT METHODOLOGY

- **Proprietary Audit Intelligence Suite (majidraipar.github.io/portfolio_my):** Architected 14 browser-native, privacy-first decision instruments for Boards and Audit Committees, including an ML-powered Finding Severity Classifier, COSO 2013 Control Evaluator, and Fraud Triangle Scorer.
- **Continuous Assurance & Anomaly Testing:** Designed full-population automated testing architectures over ERP environments (MS Dynamics, SAP, Oracle), transitioning audit methodology from periodic sampling to real-time risk triage and automated Benford’s Law forensic screening.
- **Privacy-Preserving Forensic Analytics:** Pioneered in-house forensic analytics protocols to evaluate multi-million transaction populations and contract discrepancies securely without cloud exposure.
