PROFESSIONAL EXPERIENCE

Veritux Consulting Network

Founder & Principal, Internal Audit & Risk Advisory

Dubai, UAE

Jul 2025 – Present

- **Board-Level Strategic Advisory:** Provided strategic Advisory to GCC operators, driving Enterprise Risk Assessment and governance maturity. Directed critical engagements, including fraud risk policy development and comprehensive governance diagnostics.
- **Advanced Forensic Audit:** Directed forensic analysis of a KSA real estate developer's portfolio. Leveraged full-population transaction testing and Data Analytics to uncover SAR 4M in procurement irregularities, significantly outperforming traditional statistical sampling methods.

Kitopi

Director of Internal Audit & GRC | Audit Committee Secretary

Dubai, UAE

Jun 2022 – May 2025

- **Pre-IPO SOX Compliance & Internal Controls:** Led Audit Planning and Risk Assessment for the pre-IPO roadmap. Developed and executed the Internal Audit Strategy aligned with the company's rapid growth. Built the Internal Audit and GRC function from the ground up for a rapid-scale tech platform. Led Change Management initiatives to transition the audit function to Continuous Auditing. Directed the ICFR and Internal Controls programme for the pre-IPO roadmap, evaluating Design & Operating Effectiveness through comprehensive control testing and achieving zero material weaknesses during EY's external readiness attestation.
- **Audit Committee Governance:** Held sole functional reporting line to the Chair. Orchestrated the Audit Committee framework, facilitated in-camera sessions, and provided the Board with a direct escalation channel for disclosure-sensitive matters.
- **Data Analytics & Continuous Auditing:** Modernized the Operational Audit strategy by building an AI/OCR-based anomaly detection pipeline for Continuous Auditing. Achieved full-population control testing coverage through a 340% transaction volume surge. Led Fraud Investigation and detection program, reducing fraud incidents by 78%.
- **Cybersecurity Audit & ITGC:** Designed the ITGC framework and directed group-wide Cybersecurity Audits. Iden-

tified critical exposures and oversaw a remediation programme that successfully closed all high-risk findings.

- Supply Chain Risk & Third-Party Risk Management (TPRM): Deployed Continuous Monitoring and Third-Party Risk Management (TPRM) framework to recover AED 3.2M in vendor overcharges and neutralize AED 4.5M in forward exposure, drastically strengthening Vendor Compliance.
- Regulatory Compliance & Stakeholder Management: Managed Stakeholder Management across C-suite (CEO, CFO, COO) and external auditors (EY). Ensured compliance with GDPR, CCPA, and local UAE/KSA regulatory requirements, mitigating legal and reputational risk.

Al-Faisaliah Group (JSC)

Group Director of Internal Audit & Risk / Audit Committee Secretary

Riyadh, KSA

Nov 2016 – May 2022

- Governance Excellence: Achieved the IIA's top 'Generally Conforms' rating on the Quality Assurance & Improvement Program (QAIP), confirming strict adherence to global IIA Standards across methodology and governance.
- Audit Planning & Execution: Led annual risk-based audit planning for a multi-billion portfolio, aligning audit cycles directly with the Board's strategic risk appetite.
- Enterprise Risk Management (ERM): Implemented the COSO Framework for the ERM program, consolidating Group-wide risk exposure and informing an insurance overhaul that reduced premiums by 15%.
- M&A Due Diligence & Deal Impact: Led internal due diligence on a USD 127M acquisition, uncovering SAR 15M in undisclosed litigation exposure; findings directly influenced deal renegotiations prior to closing.
- Operational Audit & Risk Mitigation: Generated SAR 4.2M in annual recurring savings by implementing automated Continuous Monitoring across procurement and supplier payment processes, strengthening enterprise risk mitigation.
- Resource Management & Function Professionalization: Managed the Internal Audit budget and resource allocation to scale the internal audit team from 3 to 20 professionals. Upskilled talent in Data Analytics, forensic methodologies, and Business Process Re-engineering. Audited Inventory Controls to prevent leakage.

McDonald's Saudi Arabia
